

Changing or managing your vehicle budgets

Just follow the below steps to manage and increase your vehicles budgets directly via the Smartsalary website.

- Select 'View vehicle details' under the Novated leasing overview banner on your account dashboard or from the 'My benefits' menu.

Novated leasing overview (for vehicle)

Vehicle <input type="text"/>	Last odometer reading: 34,958km	1 View vehicle details
---------------------------------	------------------------------------	-------------------------------

- Select 'Manage my budgets' on the vehicle expense you wish to increase. You'll also see options to view other details and products for your vehicle.

Manage my budgets
